

THE MEDICAL EDUCATION ROUND

A seasonal newsletter from the Medical Education Team

Covid-19 impact on training and education

Health Education England have issued guidance.

Health Education England have issued guidance to trusts on managing the impact of COVID-19 in medical training. A [letter](#) from Professor Sheona Macleod can be found on iNsite and updates will be posted as soon as they are released.

The Postgraduate Dean has also released a [statement](#) along with a [guidance document](#).

The joint Chief Medical Officers, National Medical Director and GMC have issued a [letter](#) with regards to supporting doctors.

All of these documents can be found in the Clinical Education section on iNsite and can also be found on the external UHL Clinical Education website in the 'news' section.

For any further Coronavirus updates or information, please go to the iNsite homepage where you will see the tab for Coronavirus.
