

Educational and Clinical Supervisors Update (A) –Feedback and Reflection

Summary of workshop

This half-day workshop offers an excellent opportunity for current Educational and Clinical Supervisors to enhance their skills and stay up to date with the latest professional standards for educators.

What will be covered?

- Reflect on the roles as Educational and Clinical Supervisors
- Discover how to give constructive educational feedback to postgraduate doctors
- Explore ways of supporting their trainees to reflect effectively on their practice
- Find out how to support their trainees in response to significant incidents
- Learn how to produce a high-quality supervisor report
- Identify their future CPD development needs as a supervisor

Who is it for?

Current Educational and Clinical Supervisors looking to maintain accreditation.

Monday 18th September 2023
Wednesday 27th September 2023

DoctorsTraining is a collaboration of senior doctors in postgraduate medical education, executive coaches, and experienced medical leaders.

We provide space to think, time to share ideas and an opportunity to learn with fellow professionals.

We are authentic, highly credible, and passionate about supporting the current and future NHS workforce

#smallchanges-bigimpact

Meet the team

"I attended your educational supervisor training and I wanted to thank you for making it such a useful and enjoyable session despite having to do it virtually. I have attended your previous training session three years ago face to face and the part time training session virtually. You are an inspirational teacher and I have never left any of your teaching sessions without learning something useful and using it in daily practice."
