

Foundation Job Description

Foundation School					
LNR					
Grade (F1 or F2)	Specialty <i>If General (Internal) Medicine OR General Surgery, please provide a sub-specialty</i>	Sub-specialty (if appropriate) <i>If General (Internal) Medicine OR General Surgery, please provide a sub-specialty</i>			
F2	Urology	N/A			
Trust		Site			
University Hospitals of Leicester NHS Trust		Leicester General Hospital			
Main Duties					
<p>This role offers the ability to become adept at managing the care of in-patients as part of Urology team.</p> <p>Duties will include remotely supporting nurse-led pre-assessment clinics with prescribing and other medical tasks, working within the urology team to provide comprehensive ward-based care of admitted patients and clerking and initiating management of Urological Emergencies with senior support.</p> <p>This post offers good training in General Medicine as well as the specifics of Urology as most patients have considerable medical co-morbidity. We are hoping to enrich this experience further by having a Consultant Geriatrician review medical and frailty issues for our inpatients three times a week.</p> <p>Acute Surgical presentations are also common and time is available to attend theatre sessions and outpatients when ward jobs are completed.</p> <p>Regular audit sessions provide you with the opportunity to complete this aspect of your portfolio.</p> <p>The post offers opportunities to achieve sign-off competencies in the Foundation Curriculum and is well supervised by senior clinicians.</p> <p>As an FY2 doctor you will work weekends and nights.</p>
