FY1	Orthopaedics		Elective Orthopaedics		
Trust			Site		
University Hospitals of Leicester			Leicester General Hospital		
Main Duties					
<p>Leicester General hospital has a large elective Orthopaedic unit and is the 5/6th largest unit for hip and knee replacements in the UK.</p> <p>All Orthopaedic sub-specialties are covered. There is senior supervision all of the time. There is a departmental induction at the start of the rotation. The clinical work allows ample chances for workplace-based assessments to be performed. There is a monthly audit/morbidity/mortality meeting.</p> <p>The resident’s duties are to look after ward patients coming in for planned Orthopaedic operations. This will involve attending pre-assessment clinic, clerking patients on the ward and assisting in the day to day care of pre and post-operative patients.</p> <p>There is an opportunity to attend theatre and assist in a variety of Orthopaedic procedures with the chance to gain experience of basic surgical skills.</p> <p>They also do on calls from 1700-0900, but do not do any night shifts.</p> <p>Foundation doctors may work on call.</p>
