FY2	Cardiac Surgery				
Trust			Site		
UHL NHS Trust			Glenfield General Hospital		
Main Duties					
<p>This is a fantastic opportunity for doctors considering a career in surgery, cardiology and acute medicine.</p> <p>The Cardiac Surgery Department at Glenfield Hospital is one of the busiest in the country providing all aspects of adult cardiac surgery with estimated >750 cases/year. The department aims to provide a high quality environment designed around the needs of both patients and staff.</p> <p>Foundation doctors will work under the supervision and guidance of a senior clinical decision maker at all times. There are regular Consultant led rounds in the ITU,SECU and the wards which the FY2 will attend and contribute to the peri-operative management of patients.</p> <p>This includes pre-surgery assessment followed by post-operative management on the wards. The FY2 will work alongside the nurses and SNP on the wards and liaise between patients, relatives and senior medical staff.</p> <p>They will be responsible for the preparation of discharge summaries for patients.</p> <p>The doctors will have a dedicated time table with allocations between the wards, SECU and theatre.</p> <p>There is also the opportunity and encouragement to develop surgical skills such as wound closure and conduits harvest.</p> <p>There is an induction programme that the doctors will need to attend and they will receive an induction package. Doctors are expected to comply with local policies including dress code and annual and study leave regulations.</p>
