Main Duties		
<p>You can choose your project at any point in FY1, all projects are listed at:  <a href="https://www2.le.ac.uk/colleges/medbiopsych/research/clinical-academic-training/academic-foundation-programme">https://www2.le.ac.uk/colleges/medbiopsych/research/clinical-academic-training/academic-foundation-programme</a></p> <p>Summary of the Post</p> <p>These were the first national posts to provide a joint FY2 programme in Acute Medicine, Medical Specialties and Clinical Management. There are 8 posts available.</p> <p>The posts will provide an excellent opportunity for doctors in the early years of their postgraduate careers wishing to undertake a joint clinical and academic FY2 training programme. The posts are for 1-year and the time will be divided equally between Acute Medicine, a medical specialty and training in clinical management / leadership.</p> <p>Who are these jobs aimed at?</p> <p>This integrated academic FY2 programme (8 posts) is aimed at doctors who are interested in making a substantial contribution to the development of medical services at the same time as acquiring and demonstrating FY2 competences in an acute setting. The posts are especially suitable for those wishing to explore a career incorporating management or to simply expand their managerial and leadership skills.</p> <p>Specific learning opportunities/objectives</p> <p>These integrated academic F2 programmes will:</p> <ol style="list-style-type: none"> <li>1. support the acquisition and demonstration of F2 competences as described in the Curriculum for the foundation years in postgraduate education</li> <li>2. expose the post-holder to a breadth of acute medical presentations</li> <li>3. provide experience in one of 4 sub-specialties: Cardiology, Respiratory Medicine, Critical Care and Peri-operative Medicine, and Nephrology.</li> <li>4. provide tuition and support for a variety of management and leadership objectives. The School of Academia and the Foundation School will sponsor a PG certificate in Leadership for all leadership F2s.</li> </ol> <p>Location of Duties</p> <p>These appointments are confined to three hospitals that make up the University Hospitals of Leicester NHS Trust and are subject to change in the event of service re-organisation in the interim period.</p> <p>Teaching of Medical Student and Junior Doctors</p>
